CLASS OF [2020]

Senior year for the Class of 2020 has certainly been one we will never forget!
We experienced our first Cornhuskin' win and being serenaded by our littles at Johnson Hall. Spending hours at parking lot practices to work on processional, working on senior thesis papers, many hours with friends, and Alice in Wonderland.

Having the last few memories on campus changed to Zoom meetings and social distanced events was nothing any of us saw coming! We are all still waiting on the moment we can come together as a class and celebrate, but the memories we made while on campus will last forever.

This year has been one of growth, change, and celebration! As we set our sights on what is to come we always know that Meredith will always be home sweet home!

When we came back to campus for Junior year we could not wait for the changes to come from getting our littles and finally receiving that shiny black onyx. However, we could never expect the year to end quiet like it did.

Although our 3rd year at Meredith did not end like we wanted it too, we still had some amazing experiences. We officially joined the Meredith sisterhood! We received the Spirit Stick at Cornhuskin'. Alice came back to Wonderland! The amazing RBG also came to campus! And we can't forget all the long hours we spent with friends and creating a special bond with our little sis's.

Class of 2021 we have our shiny black onyxs, our little sisters, and while our Junior year may have been ODD it was still unforgettable!

CLASS OF [2022]

Having one year under our wings the Class of 2022 came back to campus ready to reconnect with friends and take one last lap around Wonderland with our Bigs. We were able to dance the night away with our guardians and serenade our Bigs at Johnson Hall.

Our second year at Meredith brought us finally the bling before the ring! Even though our year may not have ended the way we thought we still will cherish all the memories and moments we had with our Bigs and fellow angels from our class.

Now that the year has come to an end we cross the halfway point of our time here at Meredith and we can't wait to get that shiny black onyx!

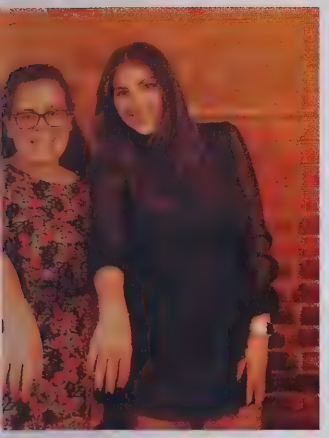
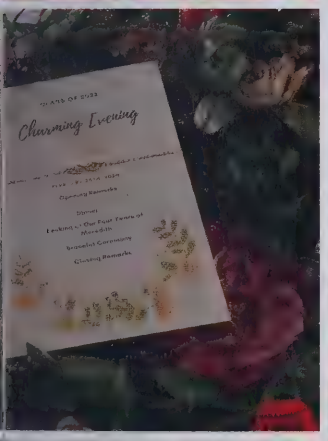
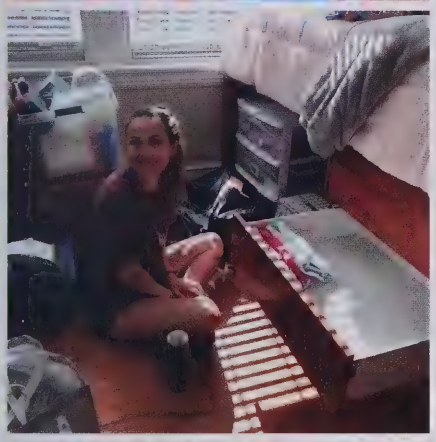
CHARMING EVENING





CLASS OF [2023]



Freshmen year for the Class of 2023 started when we drove under the rainbow balloon arch into Wonderland. We started experiencing new traditions right away with orientation and honor code ceremony. We got to meet our Big Sister and enjoy countless memories with our fellow classmates.

We started to make friends with the girls dancing in front of us at parking lot practices and were able to finally experience Cornhuskin'! We took plenty of fountain pictures and were able to see Alice come to Wonderland.

With two semester down we just can't wait to see what new things we will experience and learn when we come back to Meredith for our second year!

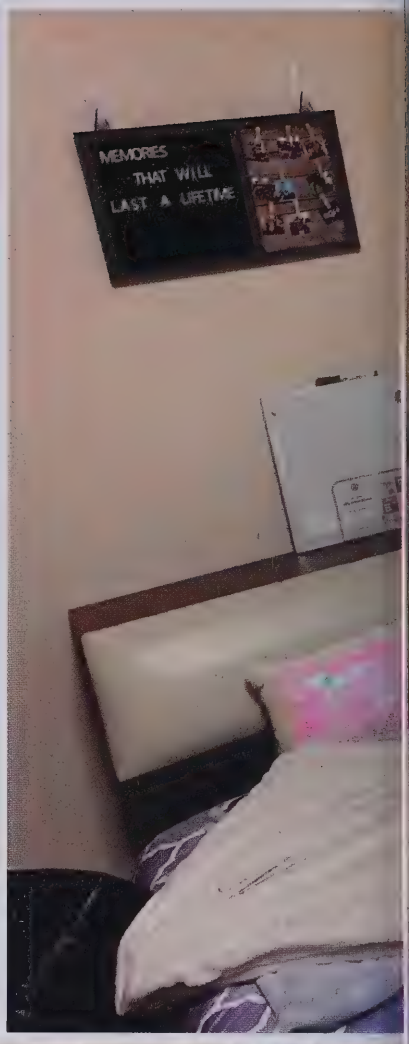
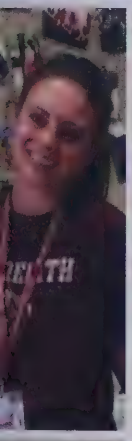
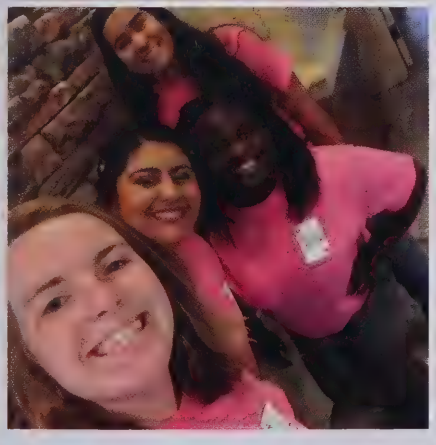
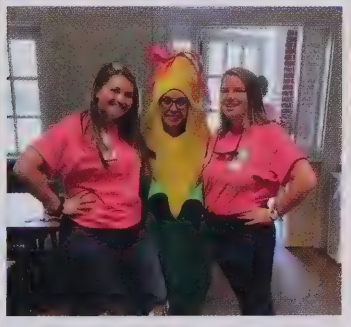
WELCOME TO WONDERLAND!

With boxes, clothes, pillows, and lamps in tow, on August 17, 2019, Meredith College class of 2023 arrived in "Wonderland." The Merdith community welcomed them with balloon arches, pots and pans, corn costumes, and plenty of screams. The bustlee began around eight that morning when the caravans began arriving. Our wonderful class of '23 could bee found running between dorm and car carrying anything from couches to hangers. Families smiled with joy as their daughters ran to hug their roommatees and suitemates. The class of '23 was beginning their adventure here in "Wonderland.'

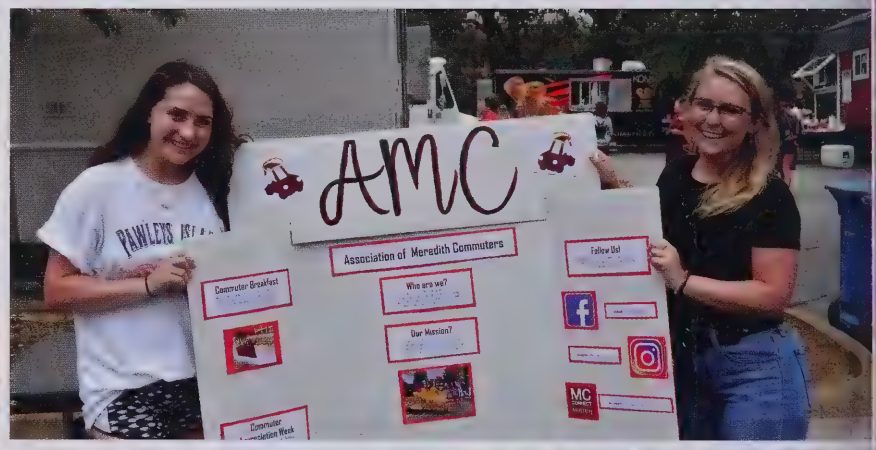








The smiles turned to tears as families left their student in her dorm. The big sister's had an eye on '23 though, and she would be well taken care of here in "Wonderland." Things began to quiet down that night as orientation began. When dinner was over and '23 was back in their dorms thee sniffles began. College was here and they were unpacking into their home for thee next four years. But who could be sad when traditions were just around the corner!



On Friday, September 13, 2019, the Sizzlin September Street Fest made it's annual appearance. With food trucks, inflatables, and live music, the festival was a hit. Students enjoyed barbecue, tacos, pizza, gyozas, funnel cakes and much more. Carnival games kept our ladies on their toes. Live music from North Tour, NC State Grains of Time, and The Band Punch livened up the atmosphere with classic and contemporary covers.

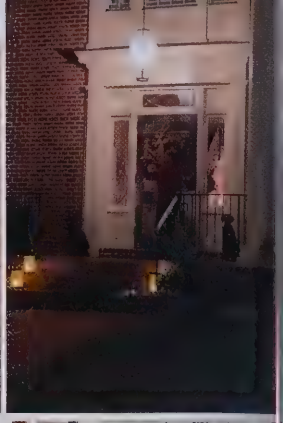
PRESIDENT'S RAID

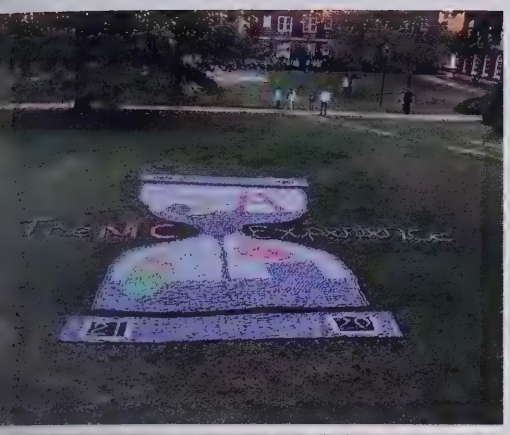
On October 28, 2019, the first night of Cornhuskin' week, the Meredith College students gathered to raid President Jo Allen's House on campus. On the way to her home, students passed though the newly decorated tunnel where the class of '20 showed off their years here at Meredith. Students sang to Jo Allen and indulged in donuts and apple cider. The traditions of Cornhuskin' week had only begun.

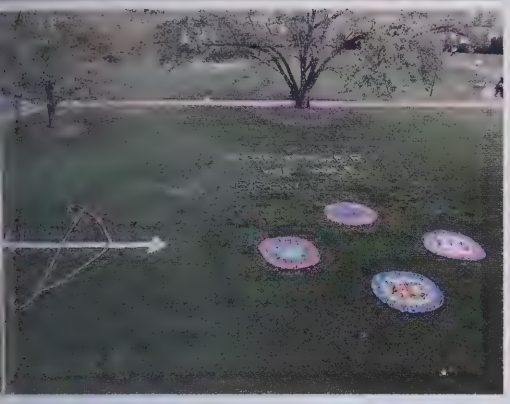


"BOND" FIRE

October 30th was a rainy day but that did not stop Meredith ladies from gathering around the fire with their sisters. This tradition promotes the unity between "big sis" and "little sis" classes. Students gathered around the fire to share stories, advice, jokes, and smores. The seniors of '20 spent time with the sophomores of 22' and the juniors of '21 welcomed the freshman of '23. Though the rain tried to dampen the evening the fire burned bright for the Meredith College sisterhood.

CAN ART





On November 1, 2019, was the Friday of Cornhuskin' week and the day of Can Art. Each class had been preparing for the event and had 30 minutes to complete their submitted design out of cans that the classes had been collecting since the beginning of the year. All the classes join in the courtyard in front of BHD by classes with all their collected cans. Once the rules are announced the horn goes off and the classes complete their designs.

THE ANTICIPATION

HALL RAIDS

Depending on who you ask, hall raids are the most loved or most hated tradition of Cornhuskin'. This year the tradition began in Heilman Residence hall where seniors woke the freshman with pots, pans, spoons, and screams during the wee hours of the morning. The tradition continued throughout the week as the classes made their way around to every residence hall. Chaos is not enough to describe the noise this tradition brings but gathering with sisters in the dark of the night and sneaking up to the top floor is a memory that every Meredith alum holds close to their heart.

HANNAH ELVINGTON

Hannah, what an amazing accomplishment! We are so very proud of you! We have watched you grow to become a beautiful young woman, full of achievement and strength; in the classroom, on the soccer field, and in your daily life. You have a world of opportunity out there; go and follow your dreams with ambition and confidence. Take a stand for what you believe in, be persistent, and prove to the world that you achieve what you set out to do. Remember to always be kind and thoughtful of others, be strong in your faith, and know that your family will always be here for you.

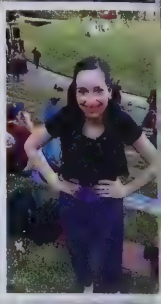
KAMRYN MCGHEE

Kamryn- From the time you blessed us and this world, August 2, 1997, you have demonstrated your strong will, determination, independence, a sixth sense of compassion for others, and energy that at times we wished we could bottle and sell! These God-given gifts have shown up throughout your childhood, teenages, and young adult years and the situations you have overcome using these gifts, have been nothing short of amazing! We cannot be more proud of you and stay MEREDITH STRONG!
Love you, Doodles!!

Dad (David), Mom, & Ayden

Kristin Bradsher



Kristin,
You knew from the age of seven you wanted to attend Meredith, and you made that dream come true. We are so proud of all your accomplishments, awards, leadership positions, and honors you received during the last four years. We have been so blessed to watch you become the wonderful young lady you are today. You worked hard, and now is your time to shine and show the world the gifts and talents that God gave you. Stay close to God, and wait patiently on Him. Listen to His word for the direction He chooses you to follow.
"And we know that in all things God works for the good of those who love Him, who have been called according to His purpose." - Romans 8:28
"Therefore, do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own." Matthew 6:34
We pray you will find God's words comforting every single day.
We love you so much!

Letter from the Editor

Dear Meredith Community,

I am truly honored to have had the opportunity to document the traditions and events of the 2019-2020 school year. In my transition from page designer and photographer, taking on the role of editor was not a task I took on lightly.

The staff chose the theme "Empowered" because we believe that all women here at Meredith are strong and powerful! We also chose this theme because of all the milestones that America and Meredith College accomplished this year. This year is the 100th Anniversary of the Women's Suffrage Movement which ended with the Women's Right to Vote. At Meredith College this year we had the privilege of having Honorable Supreme Court Justice Ruth Bader Ginsburg come and have a conservation with us! It was also this year at Meredith that Alice returned to Wonderland to remind us just how powerful the strength of our sisterhood is!

Continuing into the Spring Semester, we saw just how strong and powerful the Meredith Community is because of the impact of the Coronavirus. The Meredith Community managed to stay together and figure out other ways to stay connected and accomplish the goal of finishing the 2019-2020 academic school year. While we may not have been able to have all of the spring traditions that we were looking forward to in person, our amazing Meredith sisterhood still found a way to make some of these traditions happen virtually.

I would like to thank our Josten's representatives, Kim Trezona, Sarah Griffin and Kristin Stimmell for their patience and tenacity and dedication in not only our transition period, but also for their hard work and making sure that we had this year's edition of the Oak Leaves. To Dr. Walton, our advisor, thank you so much for all of your behind the scenes work, showing up to all the meetings, and making sure that the staff had everything we needed to make this yearbook happen. As this is your final year as the publication's advisor your passion for the publications will have a lasting impression on everyone who you have helped and inspired.

When you look through this book, I hope that it reminds you of the amazing memories that we made during this crazy and unique year at Meredith. I hope you embrace the time that we had on Meredith's campus this year and continue to be strong as we walk through this uncertain time. Remember we are strong and powerful!

I'm excited to see what Meredith has in store for its students in this upcoming year! I can't believe that it is time to welcome the new class of 2024 to Wonderland. To the graduating Class of 2020, you will be dearly missed and our sisterhood can't wait to see what the world has to offer you beyond Meredith's gates. Most of all, remember that Meredith will always be home sweet home for you!

Thoughtfully Yours,

Lexie Bennett
